

# DEVELOPERS'

DEVELOPMENT FRAMEWORK

LEONG KAI KHEE (KUROGAMI)

# Agile

Shortens development cycle and help adapt to changes

# Capability

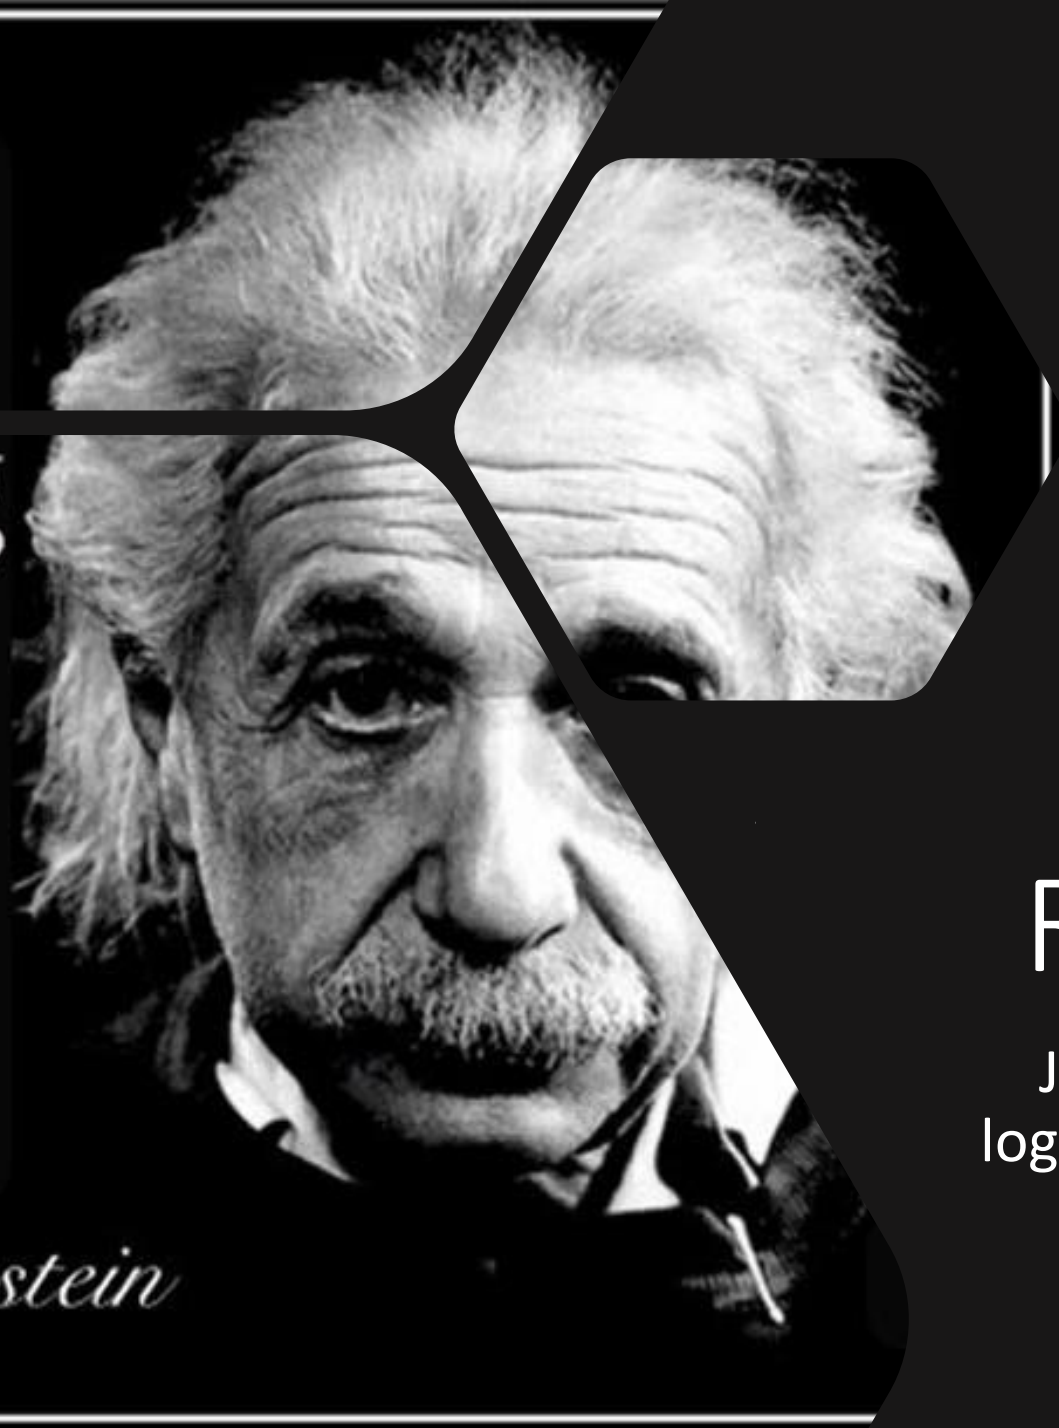

Necessary modern features at your fingertips, all ready to be utilized

sanity:

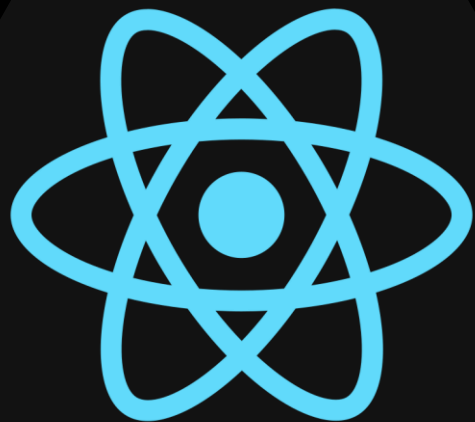

the same thing  
and over again  
expecting  
different results.

*- Albert Einstein*

## Redundancy

Just work on your business  
logic, all standard foundation  
work done

# Deviser Suite

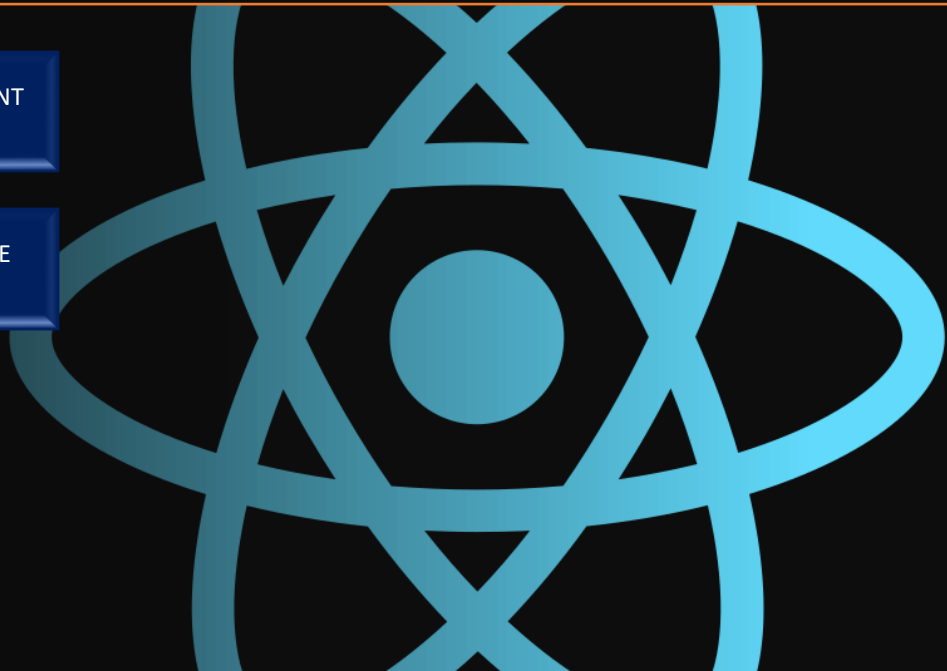

Framework to generate a production ready  
project code with common functionality  
implemented

| <input checked="" type="checkbox"/> PAGE ACL         | <input checked="" type="checkbox"/> WEB ACL MANAGEMENT PAGE      |                                                            |

A silhouette of a person with their arms raised in a gesture of triumph or celebration, set against a dramatic sunset sky with orange and yellow clouds. The person's head is tilted back, and their arms are extended upwards. The overall mood is one of achievement and optimism.

Let's embrace  
the feature of  
Deviser Suite
